

# ABERCARN PRIMARY SCHOOL

## Eco Club Targets 2015-2016

- Create new environments to encourage mini-beasts.
- Keep records of plants and animals in the school grounds.
- Grow plants that encourage butterflies to the school grounds.
- Use peat free compost.
- Make our own compost.
- Buy bird boxes and feeders.
- Class gardening sessions.
- Plan bird watching sessions.
- Carry out a biodiversity survey of the school grounds.
