

"We constantly seek ways to improve on our previous best!"
"Rydym yn gyson yn chwilio am ffyrdd o wella ar ein blaenorol gorau!"

School Council/Eco School Meetings

Agenda/Minutes

Dated: Spring Term 2016

In Attendance: Sumer, Gracie, Nicholas, Frankie, Ben, Tegen, Brandon Derry, Hope, William Lacey, Luca, Mrs Harry

Agenda: Eco fund raising day

Minutes:

- Children talked about how we could raise money to fund the projects they wanted to carry out as part of the Eco targets this year.
- Children decided they would have a non uniform day, but everyone must wear green to celebrate.
- It was agreed with Mr Roden that pupils will donate £1 each.
- A date was agreed - Friday 12th February.
- Children made posters to advertise the event and Mr Roden was asked to put this on Monday Mail.

Action:

- Ensure event is included on Monday Mail to inform parents.
- Ensure posters are put up around the school to inform pupils.

School Council/Eco School Meetings

Agenda/Minutes

Dated: Autumn Term 2014

In Attendance: Kai, Emily, Stella, Kiel, Ethan, Carys, Brandon, Isabelle, Seren, Rhodri, Katelyn, Emily, Evan, Ellie, Eduardo, Mrs Harry.

Agenda: Monitor Water use in the classroom.

Minutes:

- Discussed ways to check how much water is being used in each classroom.
- Children suggests monitoring children washing hands, cleaning paint pots, filling water bottles etc.
- They decided to monitor how many times children fill up their bottles each day.
- Children designed graphs to keep in the classrooms next to the water bottles.
- Children will speak to their class to tell them to only fill their water bottles if they are empty to save water.

Action:

- Children in each class coloured in a square each time they filled up their water bottle in a day.
- Use graphs to find out which classes are using more or less water than others.

School Council/Eco School Meetings

Agenda/Minutes

Dated: Spring Term 2015

In Attendance: Kai, Emily, Stella, Kiel, Ethan, Carys, Brandon, Isabelle, Seren, Rhodri, Katelyn, Emily, Evan, Ellie, Eduardo, Mrs Harry.

Agenda: Monitor use of energy

Minutes:

- Mrs Harry explained to the group that we need to make sure we check our ongoing projects - focusing on energy this term.
- Children discussed ways they could do this.
- They suggested the idea of using a reward chart.
- Children designed reward charts and the favourite one was chosen by the group.
- Children wanted to allocate monitor roles so they can check lights are turned off at playtimes and lunchtimes.

Action:

- Reward charts will be made and laminated for each class.
- Children will monitor lights in each class.
- Monitors will use reward charts to show each class' energy use - good or bad.
