Google Apps for Education provides pupils with a range of web based tools for communication, collaboration, time management and document storage, plus many more features. All of these tools are housed on the Internet and can be accessed from any Internet-connected computer with a web-browser. No special software is required.

These tools include:

- Gmail: an e-mail account within the Abercarn Primary School domain, i.e. Joe.bloggs@abercarnprimary.org
- Google Classroom: an application that enables teachers and students to share activities/work
- Google Docs: word processing, spreadsheet, presentation and drawing applications that
- allows multi-user access and editing
- Plus many other useful applications that have educational potential

How to login:

- 1: Go to www.google.com
- 2: Click "sign in" located in the top right hand corner
